Experiences to celebrate every season.

Although primarily known as a legendary winter sports destination, Telluride is truly a year-round resort. When white powder covers the ground, there's downhill, cross country and heli-skiing, ice skating, snowboarding and sledding. When leaves turn green and mountain flowers bloom, guests enjoy fly fishing, white water rafting, biking, hiking, golf, horseback riding and rock climbing. Autumn brings an unrivaled explosion of vibrant colors throughout the area. In addition, Telluride hosts widely popular festivals almost every month of the year. And no matter what the season, our concierge staff is ready to warm your ski boots, recommend a fishing outfitter or secure a tee time at a local course.

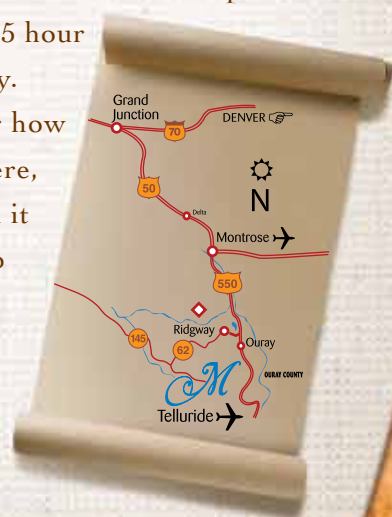

Casual elegance begins here.

Ideally located at the very heart of the new Mountain Village section of Telluride, Hotel Madeline offers ski-in/ski-out convenience with easy access to great shopping and restaurants. It's also just steps away from the free gondola that provides spectacular views with a 13-minute ride to the historic mining town of Telluride.

The area is served through Telluride Regional Airport, a quick 15 minute drive from Hotel Madeline. An alternative is Montrose Airport, a scenic 1.5 hour drive away.

No matter how you get here, you'll find it difficult to leave.
